*Overall length defined as tow point (ball coupler for travel trailers / king pin for fifth wheel trailers) to rear bumper. It does not include rear ladder or spare tire. Optional pin boxes will affect overall length. **Garage length is defined as ramp door to full interior wall. Standard or optional equipment may reduce overall garage dimensions. Information provided is accurate as of 3/3/2021 and is subject to update & change. Please confirm with your local Cruiser Dealership for up to date information.
