

SOL 190

Included in package:

- 190-watt monocrystalline solar panel with mounting brackets and roof docking port
- 30 amp solar charge controller
- Up to 8 outlets prepped for solar energy (only 12V without inverter)
- Pre-wired inverter fuse kit to connect inverter

SOL 190 can upgrade to SOL 380 by adding an additional 190 watt solar panel and an inverter with transfer switch. Please contact Cruiser Parts Department to purchase additional parts.

190W Monocrystalline Solar Panel

Roof Docking Port

50 Amp Charge Controller Fuse Kit

200 Amp Charge Inverter Fuse Kit

30 Amp Charge Controller

*SOL 190 does not include a battery, inverter, or transfer switch, you'll need to purchase them separately. Please contact Aims Power for battery purchases.
